
A benchmark database for PLATO

Pierre Maxted*¹ and Orlagh Creevey²

¹Keele University – United Kingdom

²Observatoire de la Côte d’Azur – Université Côte d’Azur, COMUE Université Côte d’Azur (2015-2019)
– France

Abstract

I will describe the selection of stars and collection of data for the benchmark database currently being compiled by the WP125500 "Benchmark stars" work package.
